Total Member Involvement

It's Time to Get Involved

On March 17, 2024, the delegates of the Maritime Conference's Annual General Meeting gathered in Moncton Seventh-day Adventist Church in person and online to listen to the ministerial reports of our administrators, departmental leaders as well as the insightful instructions of our guest speaker. Our delegates came from all over the Maritimes in support of this momentous occasion and we truly appreciate the sacrifice of their time and their contribution to the wellbeing of the future of our institution. We also wish to express our appreciation to all our helpers and volunteers as well as the amazing catering services provided by the Moncton Seventh-day Adventist Church catering team.

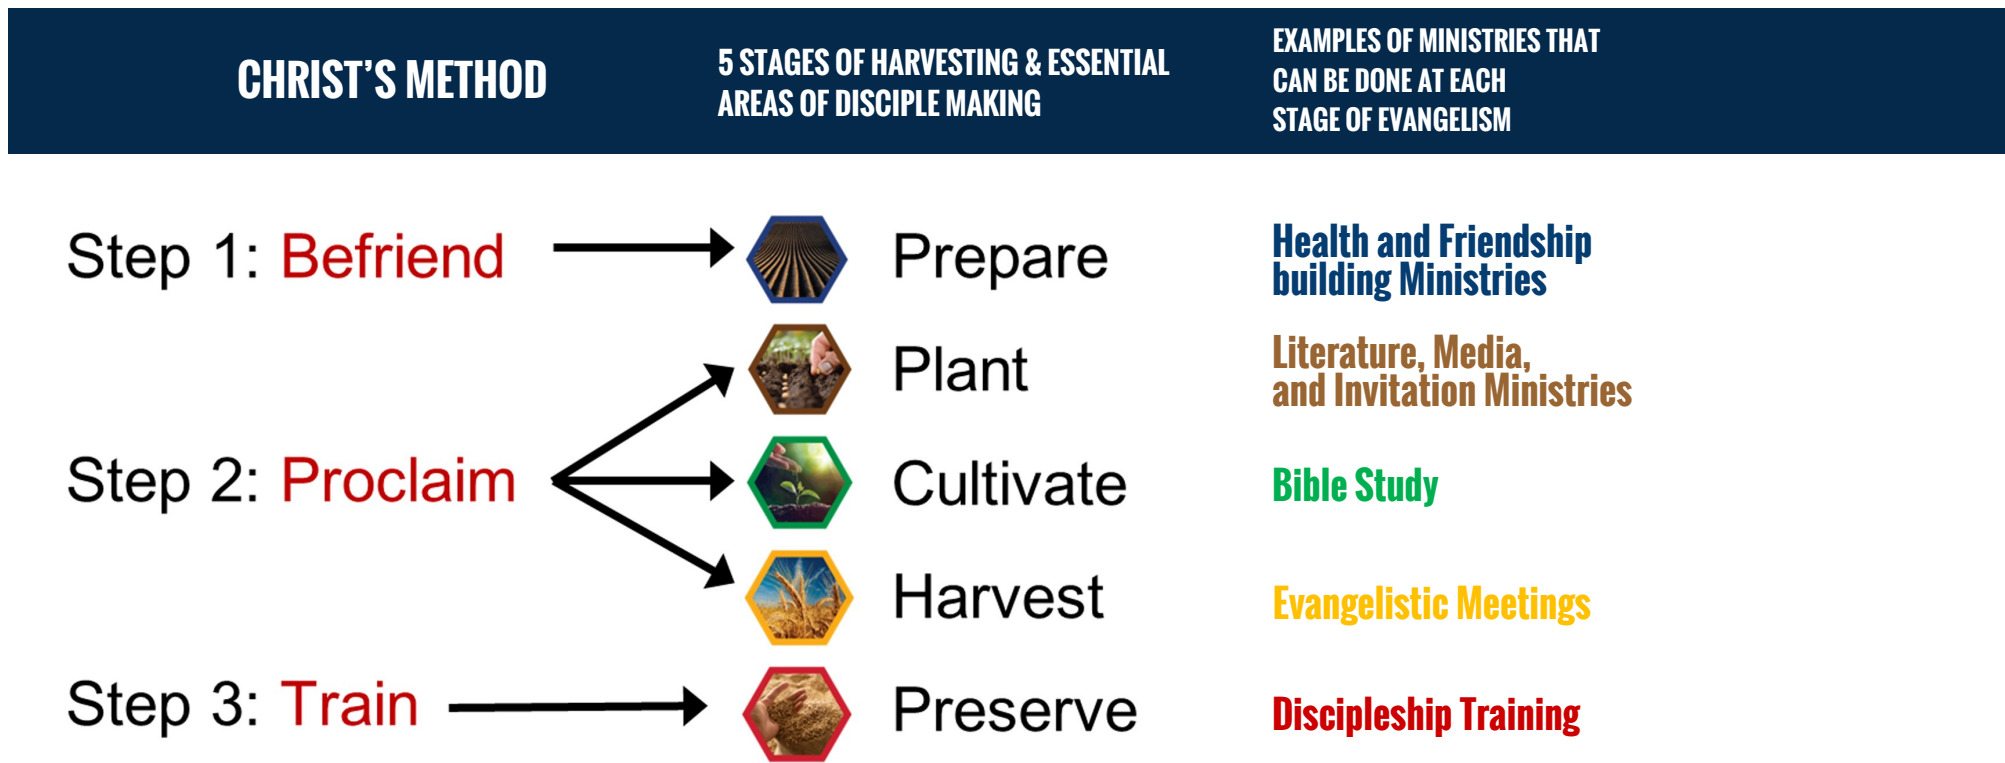

The guest speaker for the afternoon was James Howard. He is presently the director of Sabbath School and Personal Ministries, and the assistant director of the Total Member Involvement team for the General Conference. TMI (Total Member Involvement) is committed to encouraging our churches to apply a biblical method of evangelism that involves the use of discipleship. "We are not successful until the people that we win to Jesus are sharing the truth with others..." says

Howard, "In order to grow spiritually, we must carry the burden of leading others to the truth...Jesus took the responsibility of making people into soulwinners. In Mark 1:17 He says, "...Follow me, and I will make you become fishers of men.""

The TMI strategy helps to ensure that everyone receives the blessing of being part of the evangelistic process. When it comes to evangelism, so often the work is done by a small group of people within the church while the rest of the members rarely participate in the process. This is unfortunate because participating in evangelism helps us all to grow spiritually. TMI acknowledges the fact that even though everyone is not a bible worker or an evangelistic preacher, that there are many other important roles that need to be fulfilled. People are needed for prayer, befriending others, helping others, visitation, following up on interests, sharing literature, giving out invitations, giving training, or even being involved in media.

When James met with our pastors during our pastor's meeting, he said, "This initiative is not just a one-time event, but it is an active and an ongoing disciple-making plan that involves every member of the church..."

success is not measured by the number of baptisms, but it is measured by the number of workers. The fullest expression of every one of Christ's disciples should be in training others and not necessarily preaching to them but witnessing. Jesus did three things when He created disciples. He befriended them. He shared the truth with them (proclaiming), and He trained them to share that truth with others. These three methods align with the 5 simple stages of evangelism that are related to harvesting.

TMI website has all the resources needed to implement this strategic plan of evangelism: www.globaltmi.org/resources. Your church can participate in TMI by talking with your local pastor and reviewing the basic strategy booklet. A downloadable copy of this booklet is available on our website: www.maritimesda.com. Together as a church, you can make sure that you have ministries and events that line up with the five essential areas of disciple making. You can use the downloadable PDF worksheet on the back of the booklet, or the one provided on our website to create an evangelistic plan with a reasonable timeline.

Make sure that you secure church board approval and then with God's guidance, put your strategic plan into action. We look forward to seeing what the Lord will do as you apply this strategic framework to your evangelistic planning. May the Lord bless us as we apply His manner of sharing the gospel with those who are around us.

YARMOUTH SEVENTH-DAY ADVENTIST CHURCH

CALVARY CONCERT

On March 30, 2024 a Calvary Concert was held in the Yarmouth SDA Church. The concert was a joint effort of Jessa Sutter and Andrew Hamilton. The Sutter children together with the Hamilton brothers performed for a large and appreciative audience in Yarmouth. There were several visitors from Oak Park and Digby churches together with Yarmouth members and visitors.

MONCTON SEVENTH-DAY ADVENTIST CHURCH

Moncton SDA Children’s Ministries would like to share with you what has been happening in our church for 2024. The theme has been “Every Child is a Disciple of Jesus”.

Starting in February the kids participated in 10 Days of Prayer with special children’s stories and Zoom meetings throughout the week.

The children participated in crafting over 300 comfort cards to minister to the community and shared these with locations such as Habitat for Humanity and the Golden Years Nursing Home where they also sang praises to the Lord with the residents.

The church was invited to join the children in a nature walk through the sugar woods in Stilesville for an informational session and a maple sugar taste test.

We held a Global Children's Day on March 16th, where the children helped with our service and reminded others to be a light for Jesus.

We wish to draw your attention to our VBS program on July 8-13, 2024 (see our poster for registration details). All children are welcome to register between ages 4 and 12. Spread the word, and, if you wish to volunteer any of your time, please reach out through the same email provided.

Stay tuned for April 27th, as the children will be ministering to the Moncton Church during an event entitled "A Light in the City." Everyone is welcome to join online or in person to support our children as they grow closer to Jesus.
